Fri., Aug 15, 2008	Noon - 4:00 P.M.	Friday, Aug 22, 2008	CLOSED

All TB tests need to be read by the nurse at NAM about 72 hours after being given. A nurse will be available to read the TB test every day.

Medicaid, CHIP or private insurance patients will not be accepted during the Shot Blitz. These patients should contact their PCP for immunization services or go to one of the sites provided by the Harris County Health Department (281-447-2800).

If you have questions as to whether or not your child needs an immunization or a TB test, check with the Health Department at 281-447-2800 or with your school nurse.

CASH only means no checks, no credit cards.
