

## **NORTHWEST ASSISTANCE MINISTRIES THIRD PARTY FUND RAISING POLICY**

A “third party fund raising” activity refers to an event or other fund raising activity sponsored by an entity other than Northwest Assistance Ministries (NAM), the proceeds of which are fully or partially donated to NAM.

Any entity desiring to host a third party fund raiser for NAM must first inform NAM’s Development Director and seek permission to use NAM’s name. NAM reserves the right to refuse to allow any entity to use its name, logo, or any affiliated language or imagery for fund raising purposes.

If NAM agrees to allow an entity to use its name and/or logo for fund raising purposes, NAM will agree to provide to the fund raising entity the following:

- Reasonable announcement of the event or activity in the NAM newsletter and/or the NAM website.
- Reasonable follow-up coverage of the event or activity in the NAM newsletter and/or the NAM website.

NAM does **not** give its donor or mailing lists to third parties. Listings of NAM’s business community partners and covenant congregations are available to the public on its website, but NAM does not provide contact information for these entities to any third parties.

NAM does **not** provide staffing, whether paid or volunteer, for any third party fund raisers. All planning, organization, execution and wrap-up for the event or activity must be performed solely by the third party fund raising entity.
